**Statement of Housing Needs and Strategy for Addressing Housing Needs.** Provide a statement addressing the housing needs of low-income, very low-income and extremely low-income families and a brief description of the PHA’s strategy for addressing the housing needs of families who reside in the jurisdiction served by the PHA. The statement must identify the housing needs of (i) families with incomes below 30 percent of area median income (extremely low-income), (ii) elderly families and families with disabilities, and (iii) households of various races and ethnic groups residing in the jurisdiction or on the waiting list based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. For years in which the PHA’s 5-Year PHA Plan is also due, this information must be included only to the extent it pertains to the housing needs of families that are on the PHA’s public housing and Section 8 tenant-based assistance waiting lists. [24 CFR §903.7\(a\)\(1\)](#) and 24 CFR §903.12(b). Provide a description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. The Deconcentration Policy must describe the PHA’s policy for bringing higher income tenants into lower income developments and lower income tenants into higher income developments. The deconcentration requirements apply to general occupancy and family public housing developments. Refer to 24 CFR §903.2(b)(2) for developments not subject to deconcentration of poverty and income mixing requirements. [24 CFR §903.7\(b\)](#) Describe the PHA’s procedures for maintaining waiting lists for admission to public housing and address any site-based waiting lists. [24 CFR §903.7\(b\)](#) A statement of the PHA’s policies that govern resident or tenant eligibility, selection and admission including admission preferences for both public housing and HCV. ## B.2 New Activities

- Mixed Finance Modernization or Development
  - MHA is evaluating the feasibility of a RAD conversion for its 178 public housing units.
- Project Based Vouchers
  - Missoula Housing Authority is partnering with BlueLine Development and Madison Crossing LLC to begin construction on 200 units of Affordable Housing on the Northside of Missoula. The project will include 24 units of project-based voucher housing partially paid for with \$1 million of disposition proceeds, in addition to 4% low income housing tax credits, a tax exempt bond, and grants. The project is located on Missoula's northside at the corner of Otis St. and Shakespeare St. and will be the largest affordable housing development in Missoula. This project fulfills goals of the PHA plan to continue to develop an active and visible role as a collaborator and leader within the affordable housing sector, pursue funding and development of new rental housing opportunities, develop public/private partnership opportunities for new development of affordable housing, and increase visibility of the agency and promote a positive public image. The strategic use of project-based vouchers to enhance project feasibility, and in this case to allow the infusion of disposition proceeds into the project, is essential to fulfill these goals in Missoula's high-cost construction and land acquisition environment.
  - MHA continues to seek other opportunities to leverage the remaining balance of about \$600,000 in disposition proceeds into another development using project-based vouchers.
  - MHA is in the predevelopment phase of a 12-unit "Housing First" project to be funded by a Housing Trust Fund grant, AHP grant and a State HOME grant. The funding is not yet in place. We are still in the application phase for the various grants. If the project is successfully funded, project-based vouchers will be used to support operations of this permanent supportive housing development for homeless.

## B.3 Progress Report

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5 Year Plan

- Missoula Housing Authority is partnering with BlueLine Development and Madison Crossing LLC to begin construction on 200 units of Affordable Housing on the Northside of Missoula. The project will include 24 units of project-based voucher housing partially paid for with \$1 million of disposition proceeds, in addition to 4% low income housing tax credits, a tax exempt bond, and grants. The project is located on Missoula's northside at the corner of Otis St. and Shakespeare St. and will be the largest affordable housing development in Missoula. This project fulfills goals of the PHA plan to continue to develop an active and visible role as a collaborator and leader within the affordable housing sector, pursue funding and development of new rental housing opportunities, develop public/private partnership opportunities for new development

of affordable housing, and increase visibility of the agency and promote a positive public image. The strategic use of project-based vouchers to enhance project feasibility, and in this case to allow the infusion of disposition proceeds into the project, is essential to fulfill these goals in Missoula's high-cost construction and land acquisition environment.

- In July of 2017, MHA opened its new construction project, a six-plex of affordable housing, funded by a State HOME grant and private loan.
- In August of 2017, the MHA Board of Commissioners developed a policy for its construction arm, Bristlecone Development LLC, to allow it to act as general contractor, owner's representative, project manager, or physical needs assessment consultant for outside entities. Those entities could be for-profit or non-profit, focusing on projects that include an affordable component or some other public benefit. Other types of projects, including market rate developments, are permissible with the approval of the board on a case-by-case basis.
- MHA continues to partner with the many different agencies who provide services to the people we serve. The ROSS and FSS Coordinators meet quarterly with a group of 15-17 support agencies who make up the Program Coordinating Committee. We participated with many other agencies in compiling the Community Health Assessment Report completed by the Missoula City Public Health Department. We have collaborated with the Missoula Organization of Realtors and City of Missoula to produce a report called "Making Missoula Home – A Path to Attainable Housing," and participate in the production of the Missoula Organization of Realtors Annual Housing Report.
  - On the development side we actively seek out partners for new development, and in addition to Villagio, are working with two local private developers on potential projects.
- In January 2018 MHA engaged a public relations firm to assist in our efforts to increase the visibility of the agency and promote a positive public image, including a new logo, revamped website and newsletter. We are undertaking a proactive media relations campaign to highlight and celebrate MHA housing achievements.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the \_\_\_ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 10/1/2018, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. 3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13).   - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.

  8. For a PHA Plan that includes a policy for site based waiting lists:

- The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
  - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of site-based waiting lists would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
